Adventure Sports II Guarantee:

We all dive because we have a great time doing it. For this very reason we believe you should have a great time in your scuba program. If, for any reason you feel we have not provided a fun and educational program for you, we will happily refund cost of the tuition. **We Guarantee it!**

Some Important Things To Understand:

- **Why do I need to do this course?** You're the person on the scene of an accident. It might even be in your home involving a family member. Imagine your frustration of not knowing how to help and care for that person at the time of need. This course is a basic training course designed to provide the patient with a continuity of care as the patient is passed on from the first person to the paramedics, and finally on to the physician in the emergency room.
- **What do you need for class?** The fees from STEP 1 and 2 cover everything.
- **What are the prerequisites?** You must be current in CPR/Basic First Aid and at least 12 years old. Training at Basic Life Support (BLS) level is also strongly recommended. We run a Medic First Aid class to meet these requirements. Ask for details.
- **Is your certification international?** Yes... Adventure Sports II certifies under DAN (Divers Alert Network), the largest international dive safety association. Certification as a PADI (Professional Association of Diving Instructors) Oxygen Provider is also available at a small additional fee.
- **Will you have fun? We guarantee it!**
- **Any more questions, call Tom or Jon at (334) 269-3483.** Your comfort with our training program is very important to us.
- **Or stop by! Our hours are:** Mon-Fri 10:00-6:00
Sat 10:00-1:00.
