## Some Important Things To Understand:

- **What do you need for class?** The fees from STEPS 1,2 and 3 cover everything except your Total Diving System (TDS).
- **When do I need to have the "TDS"?** Each Diver will need to purchase, own or rent their "TDS" for the Open Water Dives.
- **Can I use my existing equipment?** Yes... But Adventure Sports II requires that all regulator systems and BCDs have proof of being serviced within the last year.
- **What are the prerequisites?** You must be current in CPR/Basic First Aid and current as an Oxygen Provider. We run Medic First Aid and Oxygen Provider classes to meet this requirements. Ask for details.
- **Is your certification international?** Yes... Adventure Sports II certifies under SSI (Scuba Schools International), one of the largest international certification agencies in the world.
- **Will you have fun? We guarantee it!**
